Fraser and Interior Area Recreational and Commercial Fishery Summary 2020

Target Species	Region	Waters	Specific Fishing Area	Date Range	Details
Recreational					
All salmon	PFMA 29 & Region 2	Tidal Fraser and Mainstem Fraser	From the downstream side of the CPR Bridge at Mission upstream to the Highway 1 bridge to Hope.	Apr. 01 – Nov. 02	No Fishing for salmon
	3,5,7	Mainstem Fraser	Upstream from the Highway 1 Bridge at Hope, BC.	Apr. 01 until further notice	No Fishing for salmon
	2	Birkenhead River	From the Birkenhead Bridge located approx. 6 km north of Mount Currie on Portage Road to the canyon located approx. 10 km upstream of the	Apr. 01 – Mar. 31	Bait ban
				Apr. 01 until further notice	No fishing for salmon
	2	Booth Creek		Apr. 01 until further notice	No fishing for salmon
	2	Brunette River	Downstream of Cariboo Road.	Apr. 01 until further notice	No fishing for salmon
	2	Chehalis River	Upstream of the logging bridge 2.4 km downstream of Chehalis Lake, including tributaries to that part.	Apr. 01 until further notice	No fishing for salmon
	2	Chilliwack/Vedder River (including Sumas River)	Upstream from a line between two fishing boundary signs on either side of the Chilliwack River 100 m downstream of the confluence of the Chilliwack River and Slesse Creek.	Apr. 01 until further notice	No fishing for salmon
	2	Hope Slough		Apr. 01 until further notice	No fishing for salmon
	2	Inch Creek	From the hatchery outlet to the confluence with Norrish Creek/ Nicomen Slough.	Apr. 01 until further notice	No fishing for salmon
	2	Pitt River	Pitt River and tributaries.	Apr. 01 until further notice	No fishing for salmon
	2	Stave River	Portion of the Stave River, known as the Ruskin Spawning Channel on the east bank of the BC Hydro park from the inlet near the dam, downstream to the boat ramp crossing.	Apr. 01 until further notice	No fishing for salmon
	3	Bridge River		Apr. 01 until further notice	No fishing for salmon
	3	Clearwater River		Apr. 01 until further notice	No fishing for salmon
	8	Shuswap River	(middle) Between Shuswap Falls and Mabel Lake except closed from the water survey station approximately 200m down stream of Shuswap Falls Hatchery to WTFB signs one km down stream.	Apr. 01 until further notice	No fishing for salmon

Target Species	Region	Waters	Specific Fishing Area	Date Range	Details
Recreational					
Chinook	2	Alouette River and tributaries	Above 216th Street, including the North Alouette River and tributaries to that part.	Sep. 01 – Nov. 30	1 per day
	2	Chehalis River	Downstream of the logging bridge 2.4 km downstream of Chehalis Lake, including tributaries to that part.	Jun. 23 – Aug. 31	1 per day
				Sep. 01 – Dec. 31	4 per day, only 1 over 62 cm
	2	Harrison River	From the Hwy 7 bridge downstream to the confluence with the Fraser River.	Apr. 01 until further notice	No fishing for salmon
	2	Chilliwack/Vedder River (including Sumas River)	From a line between two fishing boundary signs on either side of the Chilliwack River 100 m from the confluence of the Chilliwack River and Slesse Creek downstream including that portion of the Sumas River from the Barrow.Town Pump Station downstream to fishing boundary signs near the confluence with the Fraser River.	Jul. 01 – Aug. 31	1 per day
				Sep. 01 – Dec. 31	4 per day, only 2 over 62 cm
	3	Kamloops Lake		Aug. 28 – Sep. 22	4 per day none over 50 cm
	3	South Thompson River	From the green can buoy near the outlet of Little River, including Little Shuswap Lake, to the WTFB sign approximately 100 m downstream of Campbell Creek.	Aug. 16 – Sep. 22	4 per day none over 50 cm
					Monthly limit is 6 over 50cm
	3	Thompson River	The portion downstream of Gold Pan Provincial Park to the easterly border of the Skihist Ecological reserve.	Aug. 28 – Sep. 22	4 per day none over 50 cm
	8	Mable Lake	North and South ends of the lake closed to fishing.	Aug. 16 – Sep. 12	4 per day none over 50 cm
	8	Shuswap River	(lower) upstream from white triangular fishing boundary signs above Mara Bridge to Mabel Lake.	Aug. 16 – Sep. 12	4 per day none over 50 cm
			(lower) 50 meters upstream of the Trinity Valley Road Bridge to 50 m downstream of the Trinity Valley Road Bridge.	Jun. 15 – Nov. 15	No fishing for Chinook.

Target Species	Region	Waters	Specific Fishing Area	Date Range	Details
Recreational					
Chum	PFMA 29 & Region 2	Tidal Fraser and Non-Tidal Fraser	Tidal waters of the Fraser River (Downstream edge of the CPR Bridge at Mission to the mouth).	Nov. 02 – Dec. 31	4 Chum per day
					No more than 4 fish per day
					You may not retain Chinook, wild Coho, Sockeye or Pink
			Fraser River in Region 2 from the downstream side of the CPR Bridge at Mission, BC to the Highway 1 Bridge at Hope, BC.	Nov. 03 – Dec. 31	2 Chum per day
					No more than 4 fish per day
					You may not retain Chinook, wild Coho, Sockeye or Pink
	2	Alouette River and tributaries	Downstream of a line between two fishing boundary signs in Allco Park.	Oct. 01 – Dec. 31	1 per day
	2	Chehalis River	Downstream of the logging bridge 2.4 km downstream of Chehalis Lake, including tributaries to that part.	Jun. 23 – Oct. 31	Non-retention
				Nov. 01 – Nov. 30	2 per day
				Dec. 01 – Dec. 31	Non-retention
	2	Chilliwack/Vedder River (including Sumas River)	From a line between two fishing boundary signs on either side of the Chilliwack River 100 m from the confluence of the Chilliwack River and Slesse Creek downstream including that portion of the Sumas River from the Barrow Town Pump Station downstream to fishing boundary signs near the confluence with the Fraser River.	Jul. 01 – Sep. 30	Non-retention
				Oct. 01 – Dec. 31	1 per day
	2	Harrison River	From the outlet of Harrison Lake downstream to the Hwy 7 bridge.	Sep. 01 – Sep. 30	Non retention
				Oct. 01 – Dec. 31	2 per day
			From the Hwy 7 bridge downstream to the confluence with the Fraser River.	Sep. 01 – Sep. 30	Non retention
				Oct. 01 – Dec. 31	2 per day
	2	Nicomen (including Dewdney) Slough	From the Highway 7 bridge at Dewdney downstream to the Fraser River.	Oct. 01 – Dec. 31	2 per day
	2	Stave River	Downstream of B.C. Hydro Dam to the CPR Railway Bridge.	Sep. 01 – Sep. 30	Non-retention
				Oct. 01 – Dec. 31	2 per day

Target Species	Region	Waters	Specific Fishing Area	Date Range	Details
Recreational					
Coho	PFMA 29 & Region 2	Tidal Fraser and Non-Tidal Fraser	Tidal waters of the Fraser River (Downstream edge of the CPR Bridge at Mission to the mouth).	Nov. 02 – Dec. 31	2 hatchery Coho per day No more than 4 fish per day You may not retain Chinook, wild Coho, Sockeye or Pink salmon.
			Fraser River in Region 2 from the downstream side of the CPR Bridge at Mission, BC to the Highway 1 Bridge at Hope, BC.	Nov. 03 – Dec. 31	2 hatchery Coho per day No more than 4 fish per day You may not retain Chinook, wild Coho, Sockeye or Pink salmon.
	2	Alouette River and tributaries	Above 216th Street, including the North Alouette River and tributaries to that part.	Sep. 01 – Nov. 30	Non-retention of Coho
			Downstream of a line between two fishing boundary signs in Allco Park.	Oct. 01 – Dec. 31	1 hatchery marked per day
	2	Chehalis River	Downstream of the logging bridge 2.4 km downstream of Chehalis Lake, including tributaries to that part.	Jun. 23 – Aug. 31	Non-retention
				Sep. 01 – Dec. 31	4 hatchery marked per day
	2	Chilliwack/Vedder River (including Sumas River)	From a line between two fishing boundary signs on either side of the Chilliwack River 100 m from the confluence of the Chilliwack River and Slesse Creek downstream including that portion of the Sumas River from the Barrow Town Pump Station downstream to fishing boundary signs near the confluence with the Fraser River.	Jul. 01 – Aug. 31	Non-retention
				Sep. 01 – Dec. 31	4 hatchery marked per day
	2	Harrison River	From the outlet of Harrison Lake downstream to the Hwy 7 bridge.	Sep. 01 – Dec. 31	4 hatchery marked per day
			From the Hwy 7 bridge downstream to the confluence with the Fraser River.	Sep. 01 – Dec. 31	4 hatchery marked per day
	2	Nicomen Slough (including Dewdney)	From the confluence of Siddle (Bell's) Ck. downstream to the Fraser River.	Sep. 01 – Dec. 31	4 hatchery marked per day, only 2 over 35 cm
	2	Norrish (Suicide) Creek		Sep. 01 – Dec. 31	4 hatchery marked per day, only 2 over 35 cm
	2	Stave River	Downstream of B.C. Hydro Dam to the CPR Railway Bridge.	Sep. 01 – Dec. 31	4 hatchery marked per day, only 2 over 35 cm
Commercial					
Chum	PFMA 29	Tidal Fraser	Tidal waters of the Fraser River (Downstream edge of the CPR Bridge at Mission to the mouth).	Nov. 02, 04, 06	

Fraser and Interior Area First Nations Fishery Summary 2020				
Target Species	**Specific Fishing Area**	**Gear Type**	**Licence Type**	**Date Range**
Chinook	Below Port Mann Bridge	Gill Net	Limited Participation	Jun. 27 – Sep. 02
	Below Port Mann Bridge	Gill Net	Communal	Aug. 08 – Sep. 05
	Port Mann Bridge to Sawmill Creek	Gill Net	Limited Participation	Apr. 08 – Sep. 01
	Port Mann Bridge to Sawmill Creek	Gill Net	Communal	Aug. 08 – Sep. 06
	Port Mann Bridge to Sawmill Creek	Fish Wheel	Communal	Aug. 15 – Oct. 02
	Sawmill Creek to Texas and Thompson Downstream of Bonaparte	Rod & Reel, Dip Net, and/or Gill Net	Limited Participation	Jul. 17 – Sep. 22
	Sawmill Creek to Texas and Thompson Downstream of Bonaparte	Rod & Reel, Dip Net, and/or Gill Net	Communal	Jul. 31 – Sep. 22
	Texas to Deadman (Upstream Thompson, Downstream Big Bar)	Gill Net	Communal	Jun. 25 – Aug. 13
				Aug. 26 – Aug. 28
	Upstream of Big Bar	Dip Net	Communal	n/a
	Thompson River Upstream Bonaparte	Traditional gear	Communal	Jul. 31 – Sep. 30
Chum	Below Port Mann Bridge	Gill Net	Communal	Oct. 24 – Nov. 30
	Below Port Mann Bridge	Gill Net	EO	Nov. 01 – Nov. 01
	Port Mann Bridge to Sawmill Creek	Gill Net	Communal	Oct. 25 – Dec. 31
	Port Mann Bridge to Sawmill Creek	Fish Wheel	Communal	Oct. 30 – Nov. 30
	Port Mann Bridge to Sawmill Creek	Gill Net	Demo	Nov. 03 – Nov. 06
